

510 Minicat

Centre Console & Cuddy

THE ULTIMATE FISHING AND DAY TRIP WEAPON!

510 Minicat - Centre Console

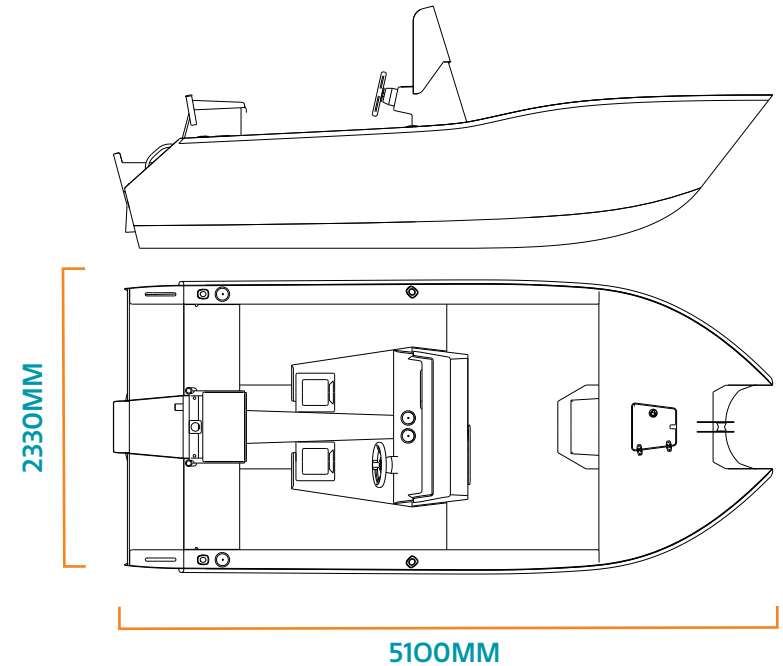

The Kingfisher 510 Minicat is the perfect match for anybody looking to cast softbaits at mooching snapper, stickbaits at busting kings, or simply take the kids out for a fun day on the water.

With an overall length of 5.1m and a beam of more than 2.3m, the deck space on this boat is enormous for a vessel in the 5m range. Space is utilised to allow for plenty of storage, yet this boat remains a breeze to launch and retrieve solo.

Like all Kingfisher Minicats, the 510 comes equipped with an oversized casting platform, gunnel side shelves, self draining anchor well, twin bilge pumps, dual dry storage areas...the list goes on!

At rest the twin hulls supply a steady platform unmatched by monohull boats allowing for comfort in whatever activities you are undertaking. Be it jigging for kingfish or having lunch on the anchor.

Winner of the 2022 Hitchwilco Boat Show Awards for the up to 6m specialist fishing boat.

HULL FEATURES
